Drs. Joanne and Edward Dauer

Dr. Edward Dauer attended the University of Miami in Coral Gables, Florida, and earned an undergraduate degree in Electrical Engineering, a graduate degree in Biomedical Engineering, and a M.D. degree from the School of Medicine. He is board certified in Diagnostic Radiology and has served as Director of Radiology at Florida Medical Center since 1979.

In 1988, he was appointed a member of the Florida State Board of Medicine by the governor and confirmed by the senate. During his eleven years on the board, he served two terms as Chairman. The Board of Medicine licenses physicians to practice medicine, disciplines physicians when there is a violation of the state statutes, and writes the rules governing the practice of medicine.

Dr. Dauer has been a member of the University of Miami Board of Trustees since 1996 and is also a full-time faculty member with the title of Research Associate Professor of Biomedical Engineering, Radiology, and Family Medicine. He is the Director of the Scanning Electron Microscope Laboratory and specializes in tissue engineering and artificial internal organs. He teaches and is a researcher in Electron Microscopy, Radiation Biology, Radiation Physics, and Physiology.

He recently served as one of the fifteen scientists on a committee from the National Academies of Science, Engineering, and Medicine studying the safety of millimeter wave scanners currently in use by the TSA at over 150 airports in the United States and co-authored the findings which were published in January 2018.

Drs. Joanne and Edward Dauer have spent a lifetime specializing U.S. and British Commonwealth banknotes. Their collection of World Banknotes is among the finest ever assembled. Presented here today, are rarities spanning the world over, some of the finest to be offered in decades.

26001 **Australia** Commonwealth of Australia 10 Shillings ND (1914) Pick 3a R2cF PMG Very Fine 25.

A lightly circulated example with the bold serial number font and block letters as prefix and suffix. This issue, while sharing the intaglio design with its earlier cousin, has several security upgrades including the HALF SOVEREIGN overprints and multicolor background on the back. Very scarce and quite desirable with only five examples registered in the *PMG Population Report*.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (2,000-3,000)

Starting Bid: \$1,000

26003 **Australia** Commonwealth of Australia 5 Pounds ND (1918) Pick 5c R37b PMG Choice Very Fine 35.

A lovely example of this denomination from the early Commonwealth series. A scarce issue with only a total of ten graded Pick 5c's registered in the *PMG Population Report* and only two of those at a higher grade. This variety includes the Cerutti and Collins signature combination and the mid-range prefix and suffix letters. The back features a beautiful vignette of the Hawkesbury River along with the mosaic pattern of 5s on the back, which was introduced as an anti-counterfeiting measure.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (3,000-4,000)

Starting Bid: \$1,500

26002 **Australia** Commonwealth of Australia 5 Pounds ND (1913-18) Pick 5a R36b PMG Very Fine 20.

An appealing example of the upgraded design, which replaced the two red and yellow bands from the previous series with a repeating mosaic of colorful fives on the back. At the time of cataloging, only five examples of this pick number are registered in the *PMG Population Report*, with this note holding the second finest grade to a Very Fine 25.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (4,000-5,000)

Starting Bid: \$2,000

Renniks Plate Note

26004 Australia Commonwealth of Australia 10 Pounds ND (1918) Pick 6b R52a PMG Fine 12.

A scarce note in every aspect with only four graded examples registered in the PMG Population Report. The serial number between W601407 and W1000000 indicates this example is R52a in the Renniks Australian Coin & Banknote Values guide, which indicates there are only 3 surviving examples of this variety. Excellent features are still seen on this early, historically important note. Splits and minor rust are noted. Drs. Joanne and Edward Dauer chose this note to illustrate on page 125 in their book, *Australian History 1901 to 2001 As Seen Through Australian Banknotes*. It also serves as a plate note in the 25th Edition of the Renniks reference book.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (12,500-17,500)

Starting Bid: \$6,250

Renniks R52c Variety

26005 **Australia** Commonwealth of Australia 10 Pounds ND (1918) Pick 6b R52c PMG Choice Fine 15.

Though the *Standard Catalog of World Paper Money* does not make a distinction after the signature variety (the Cerutti-Collins signature combination is the second), the *Renniks Australian Coin & Banknote Values* guide categorizes this example with the bold serial number font and a W suffix as the third variety, and indicates that only 31 surviving examples are known. Brilliant green/mauve/green underprint colors remain bright on this well preserved example.

From *The Drs. Joanne and Edward Dauer Collection of World Banknotes* (5,000-7,500)

Starting Bid: \$2,500

Finest Graded, High Denomination Rarity

26006 Australia Commonwealth of Australia 50 Pounds ND (1918) Pick 8d R67c PMG About Uncirculated 55.

An extremely desirable type, seldom seen in any grade and eminently collectible due to its unusually high face value. Four varieties for this denomination were issued between 1914 and 1940, with this being the final. Notice the large, sans serif serial numbers, which were indicative of the final wave of issue for this type. Because stocks of this high denomination were not in demand, issuance was very slow, which allowed this denomination, along with the 20 and 100 Pounds, to be released well past its normal lifespan, and certainly well beyond that of its lower denomination counterparts. In fact, bank records indicate that only 608,000 notes were printed and released until the end of World War II. The enormous face value at the time, coupled with economic conditions, forced the redemption of these notes, leaving only a scant few to be enjoyed by collectors today. Incredible condition is seen on this example, with fresh colors, crisp paper, and only the briefest traces of circulation. Great embossing and a lone pinhole are mentioned in the comments on the back of the third party holder. At the time of cataloging, this example is by far the finest graded of only three examples in the *PMG Population Report*. An utterly spectacular banknote.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (40,000-50,000)

Starting Bid: \$20,000

26007 **Australia** Commonwealth of Australia 5 Pounds ND (1927) Pick 13b R40 PMG Very Fine 30.

Colors are excellent on this reduced size 5 pounds note. Kell-Heathershaw signatures are seen. Minor restoration is noted. As the lone example of this *Renniks* number, this note is a true rarity. This special piece serves as one of the plate notes for the *Renniks* guide.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (1,500-2,500)

Starting Bid: \$750

26009 **Australia** Commonwealth of Australia 1 Pound ND (1927) Pick 16c R26 PMG Choice About Unc 58 EPQ.

Bold green inks remain abundantly clear on this early E.C. Riddle issue. The front of this beauty depicts the bust of King George VI on the right and the coat of arms on the left. A scenic vignette of Captain Cook landing at Botany Bay is centered on back. An underrated issue which is scarce in Uncirculated grades.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (1,500-2,500)

Starting Bid: \$750

26008 **Australia** Commonwealth of Australia 1/2 Sovereign ND (1933) Pick 15d R8a PMG Very Fine 20.

A well preserved half sovereign from the early 1930s issue. An excellent representation for the type with the Riddle and Sheehan signature combination. The grading company mentions an annotation and thick signature. Scarce with only seven registered examples in the *PMG Population Report*.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (1,500-2,500)

Starting Bid: \$750

26010 **Australia** Commonwealth of Australia 1 Pound ND (1933-38) Pick 22 R28 PMG Choice Uncirculated 64.

An amazing issue with a dynamic eye appeal featuring a portrait of King George V. Hard to find in Uncirculated condition, the example holds the second highest grade in the *PMG Population Report* at the time of cataloging. The localized watermark also features the Prince of Wales, later Edward VIII. Excellent embossing, clean margins, and sharp guilloche designs are clearly observed.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (1,000-1,500)

Starting Bid: \$500

Tied for Finest Grade in PMG Population Report

26011 Australia Commonwealth of Australia 10 Pounds ND (1934-39) Pick 24 R57 PMG Choice About Unc 58.

A gorgeous example of the highest denomination and key note of the 1933 to 1936 series. This 10 pounds shares the finest grade with one other in the *PMG Population Report*. Excellent embossing, bold inks, and bright paper are present. The prefix V2 and King George V in military uniform are seen on the face and an allegorical agricultural scene is portrayed on back. A highly desirable note, especially in this condition.

From *The Drs. Joanne and Edward Dauer Collection of World Banknotes* (5,000-6,000)

Starting Bid: \$2,500

26012 **Australia** Commonwealth of Australia 10 Shillings ND (1949) Pick 25c* R14S Replacement PMG About Uncirculated 55.

Brilliant inks are juxtaposed with the bright paper of this always popular design. A star at the end of the serial number indicates this note's replacement status. It is from the last prefix, making it all the more desirable. The perfect plate note on page 205 in the Drs. Joanne and Edward Dauer book, *Australian History 1901 to 2001 As Seen Through Australian Banknotes*.

From *The Drs. Joanne and Edward Dauer Collection of World Banknotes* (2,500-3,500)

Starting Bid: \$1,250

26013 **Australia** Commonwealth of Australia 1 Pound ND (1942) Pick 26b R30 PMG Gem Uncirculated 66 EPQ.

A lovely high grade 1 pound from the always popular King George VI series. Deep embossing, pleasing guilloche patterns, and distinct inks are seen throughout this early 1940s issue.

From *The Drs. Joanne and Edward Dauer Collection of World Banknotes* (400-600)

Starting Bid: \$200

26014 **Australia** Commonwealth of Australia 1 Pound ND (1949) Pick 26c* R31S Replacement PMG Gem Uncirculated 65 EPQ.

Replacement Australian notes are always popular, and this example will undoubtedly command extra attention. All features are as perfect as the day the note was printed, with bold inks, heavy embossing, and perfect paper as expected on an EPQ note. Intaglio embossing of the frame is especially easy to see on the margins on the back. This gorgeous Replacement is the sole finest graded of five total examples registered in the PMG Population Report.

From *The Drs. Joanne and Edward Dauer Collection of World Banknotes* (3,000-4,000)

Starting Bid: \$1,500

26015 **Australia** Commonwealth of Australia 5 Pounds ND (1949) Pick 27c R47 PMG About Uncirculated 55.

A well preserved 5 pounds from the 1940s issue. Prefix R98, along with the Coombs and Watts signature combination, is seen. A nice representation for this type as this pick is scarce in Uncirculated grade.

From *The Drs. Joanne and Edward Dauer Collection of World Banknotes* (400-600)

Starting Bid: \$200

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (400-600)

26017 **Australia** Commonwealth of Australia 10 Pounds ND (1942) Pick 28b R59 **PMG Choice About Unc 58 EPQ.**

26024 Bahamas Bahamas Government 4 Shillings 1919 Pick 2a PMG Choice Very Fine 35 EPQ.

An always desirable, large format type that is occasionally seen in well-worn grades, but seldom seen so choice. 26026 Bahamas Bahamas Government 4 Shillings 1919 (ND 1935) Pick 5 PMG Choice Very Fine 35.

This early issue includes the A/2 prefix and three signatures. King George V's portrait at right and a ship seal at left. The deep green inks on pastel undertone are still very strong. Scarce in any condition.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (1,500-2,000)

26033 Bahamas Bahamas Government 5 Pounds 1936 (ND 1944) Pick 12a PMG Choice Very Fine 35 EPQ.

This is the scarce first issue of the King George VI 5 pounds and should not be confused with the later issue (Pick 12b) that is relatively common due to the discovery of a small run of uncirculated notes. Later issues remove the Colonial Secretary portion of the title displaying Commissioner of Currency twice, at left and right. Finest Graded King George VI Rarity

26052 Bermuda Bermuda Government 5 Shillings 12.5.1937 Pick 8a PMG Gem Uncirculated 66 EPQ.

The single letter prefix Bermuda series is one of the sleepers in the entire King George VI series for British Commonwealth banknotes. Due to the prefix scheme for Bermuda notes from 1927 until 1966, it may appear that each note is common, but that is far from the truth. This single letter prefix variety began with A000001 and finished with Z240000, with the prefix changing with every 10,000 banknotes. Additionally, the offered example is from the final 1,000 notes printed of this variety. At the time of cataloging, it is tied atop the *PMG Population Report*, which registers only four notes in Uncirculated grade. An underappreciated rarity that is missing from many relevant collections. Not to be missed.

Outstanding King George VI Rarity

26057 **Bermuda** Bermuda Government 5 Pounds 17.2.1947 Pick 17 PMG Extremely Fine 40.

A simply outstanding issue, seldom seen, and even more impressive in Extremely Fine grade. Only 350,000 of these "Canary" notes, as they were affectionately called, were issued between 1947 and 1952. Issued before the pound was devalued, this denomination had serious buying power in Bermuda and was not often saved as a collectible. Beautiful Queen Elizabeth II Type

26066 Bermuda Bermuda Government 10 Pounds 1964 Pick 22 PMG Choice Uncirculated 64.

An amazing example of this highest denomination type, seldom encountered in any grade. Only 300,000 banknotes were printed. Of these, only about 200,000 or so were issued. Inflation and the devaluation of the pound resulted the necessity for this newly issued denomination, which became useful for payroll and other cash purposes. Decimalization forced the redemption of this type beginning in 1970. This example we are offering also happens to be the plate note in Nelson Page Aspen's reference book *A History of Bermuda and its Paper Money*, and will no doubt brighten up any collection to which it is added.

Seldom Seen British Commonwealth Type

26067 British Guiana Government of British Guiana 1 Dollar 1.1.1920 Pick 1A PMG Very Fine 30.

A handsome and extremely rare type, with only 500,000 banknotes printed for this date. Only a few examples have survived to be collected today. This example is the second finest graded in the *PMG Population Report* at the time of cataloging. Interestingly, the Government of British Guiana was authorized to print \$1 and \$2 banknotes. Private banks issued the higher denominations. We have not offered this type in the past, and only a handful of low grade examples have crossed the auction block in the last decade. The portrait series from 1929 to 1942 is enormously popular, but these earlier types are exceedingly difficult to find. This specific banknote has a strong pedigree within the hobby and is worthy of a strong bid, considering its rarity, past ownership, and remarkable condition.

British Honduras was quite a small colony in the 1920s, which resulted in only small numbers of banknotes needed to facilitate commerce. Ink erasure is seen on the back and mentioned on the third party holder. Nevertheless a rare type, and the first we have offered of this denomination. An excellent opportunity to own a rare note which seldom crosses the auction block.

Beautiful Colonial Type

26088 East Africa East African Currency Board, Mombasa 10 Florins = 1 Pound 1.5.1920 Pick 10 PMG Very Fine 20 Net.

A very rare type, extremely limited in issue and almost immediately replaced by the design that circulated from 1921 until 1958. Only five-digit serial numbers with the A/1 prefix are known, which confirms the brevity of circulation for this type. Handsome color is easily seen. Areas of ink and restoration are seen, but do not much detract from the overall appearance, as the key design elements are still in full view. This series is often heralded as a landmark design by Thomas de la Rue and is prized by collectors as such. A fantastic African offering that we have not previously offered in issued form.

26103 **Fanning Island** Fanning Island Plantation 1 Pound ND (ca. 1940s) Pick UNL Schwan-Boling 1541a1 **PMG Very Fine 20.**

One of the classic World War II emergency notes, this is a full example with a serial number. Fanning Island is located 1,000 miles south of Hawaii and was the relay station between North America and Australia. The year 1942 American troops stationed there for the first time, producing a shortage of currency. Manager R.G. Garrett of Fanning Island Plantations had these notes printed in Hawaii. The notes were eventually withdrawn in 1945 with the conclusion of the war. While almost all notes were redeemed, withdrawn, halved, and recycled into movie tickets, and then once again used as emergency notes, full notes are notoriously difficult to acquire. There are only 11 serial numbers reported in *World War II Remembered*, and we have offered, in addition, a few more full examples over the years. A desirable piece of history, especially as a complete note.

Fantastic Highest Denomination Type

26108 Fiji Government of Fiji 20 Pounds 1.9.1948 Pick 43d PMG Very Fine 20.

A famed King George VI and British Commonwealth rarity, seldom seen due to its enormous buying power at the time. Almost all Commonwealth realms capped their banknote series with a 5 pounds denomination, with Fiji being a glaring exception. It is not known why Fiji issued both 10 and 20 pound denominations, but issuance was limited and the overwhelming majority of notes were redeemed by 1969. We have never offered this denomination in issued form, and only a few are known to exist. All six dates for this denomination feature the B/1 prefix, with this example having the fifth date and the serial number 42,937, which indicates how few examples were issued each year, and in grand total. At the time of cataloging, PMG has only graded three examples of this denomination: one from 1943 and two from 1948. Crisp paper is seen on this example, which still features deep coloring and strong embossing. An important opportunity to acquire one of the key banknotes of the South Pacific and of the entire British Commonwealth series.

26141 Israel Bank Leumi Le-Israel 50 Pounds ND (1952) Pick 23a PMG Choice Very Fine 35.

This rarely seen, highest denomination type is missing from many collections of the region, especially in such a collectible grade. It appears that this type was issued without a prefix, which hints at the low production total of this denomination. Additionally, banknotes from this private issuer were replaced in 1955 by banknotes from the Bank of Israel. We have not offered this denomination since 2014. An important opportunity.

Seldom Seen King George V Type

26143 Jamaica Government of Jamaica 5 Shillings 1904-18 (ND 1920) Pick 28a PMG Very Fine 20.

One of the rarest King George V portrait banknotes of the British Commonwealth series, this type is seldom seen in any grade. In fact, only 400,000 banknotes featuring a single serial number at middle were printed. At the time of cataloging, only three examples of this variety are graded in the PMG Population Report. We have not offered this type previously. An important opportunity to acquire a desirable and seldom seen British Commonwealth design.

26144 Jamaica Government of Jamaica 5 Shillings ND (Laws 1904/18) Pick 32a PMG Very Fine 25.

One of the most famous Waterlow & Sons engravings, seldom seen in any grade, this series features legal clauses from 1904 and 1918, but it was issued much later, most likely in the late 1920s or early 1930s. A rare and iconic British Commonwealth design.

26146 Jamaica Government of Jamaica 5 Pounds 7.4.1955 Pick 43 **PMG Very Fine 30 EPQ.**

An extremely underrated type especially desirable with this middle date, which seldom appears in any grade. Based on known prefixes and dates, it appears that only 500,000 or fewer of these highest denomination banknotes were issued. This rare type is highlighted by EPQ status, of which only three examples in the *PMG Population Report* are designated. *From The Drs. Joanne and Edward Dauer Collection of World Banknotes (1,000-1,500)*

Starting Bid: \$500

26147 Jamaica Government of Jamaica 5 Pounds 17.3.1960 Pick 48a **PMG Choice Very Fine 35.**

A key note for the entire Queen Elizabeth II series and seldom available with this date. Less than 250,000 banknotes were issued with this date, which is much scarcer than the subsequent July date. Minor foxing is seen atop this beautiful banknote.

From The Drs. Joanne and Edward Dauer Collection of World Banknotes (600-800)

26148 **Jamaica** Government of Jamaica 5 Pounds 4.7.1960 Pick 48b PMG Choice About Unc 58 EPQ.

One of the most visually appealing Queen Elizabeth II banknotes ever produced, this type is also the only Government of Jamaica type to feature Her Majesty's portrait. Of importance, 11A is the first prefix for this date. It is rumored that this prefix is also shared with the previous date, which would make this quite a low serial number. EPQ status is easily seen on this fresh example which has seen only the briefest circulation.

26149 **Jamaica** Bank of Jamaica 10 Shillings; 1 Pound 1960 (ND 1964) Pick 51Bb; 51Ce Two Examples PMG Choice About Unc 58 EPQ; Superb Gem Unc 67 EPQ.

An eye appealing pair of Jamaican notes from the 1963-64 issue which were similar to the previous issue except the text in the coat of arms was changed from Latin to English, reading "Out of Many, One People." Interestingly, the portrait displayed on both notes is one of only a few portraits of Queen Elizabeth II facing left across an array of banknotes. Both examples display excellent centering and bright paper.

These handsome Waterlow & Sons types were printed and prepared for release in 1941, but the onset of World War II prevented these notes from being issued until 1945. Original paper is seen on both of these beautiful banknotes, each of which is seldom seen with EPQ status.

26151 **Malaya** Board of Commissioners of Currency 10 Dollars 1.7.1941 (ND 1945) Pick 13 KNB13 PMG Gem Uncirculated 65 EPQ.

A beautiful Waterlow & Sons engraved banknote, seldom seen in pack fresh, original condition. Although this note is dated 1941, the Japanese invasion of the Malay Peninsula prevented the issuance of new banknotes until 1945. The tropical climate of the colony caused banknotes to wear out very quickly, which accounts for the scant few examples of this denomination seen in collectible grade.

This intriguing note is similar to the previous issue (pick 25a), which has altered the location of the serial number, now placed on the bottom left instead of the center. 26161 **Nigeria** Government of Nigeria 1 Shilling 12.1918 Pick 1 PMG Extremely Fine 40.

No finer graded example has sold in prominent public auction since records were saved, making this an important opportunity to acquire a seriously rare African banknote. At the time of cataloging, this is the single finest graded of only five examples in the PMG Population Report. Locally printed to alleviate the shortage of silver, these notes were well used and withdrawn leaving very few to be enjoyed by collectors today.

26162 **Pakistan** Government of Pakistan 5 Rupees ND (1948) Pick 2 Jhunjhunwalla-Razack 5.19.1 PMG Choice Uncirculated 64.

An always desirable provisional type, seldom seen above the Very Fine grade point. Completely Uncirculated paper is easily seen on this example, which features the customary staple holes at issue. A very light spot on the reverse margin prevents EPQ status on this otherwise terrific example, which is far better than typically seen. These overprinted British India types were issued hastily to meet currency needs and were phased out once Thomas de la Rue could deliver the first series of Pakistani banknotes, which occurred in October of 1948.

Starting Bid: \$1,000

26164 Palestine Palestine Currency Board 1 Pound 1.1.1944 Pick 7d PMG Choice Very Fine 35 EPQ.

An always desirable date and very much in-demand, as the issue totals are far fewer than the previous 1929 and 1939 series. After the single letter prefixes were exhausted, the fractional prefixes began in 1944, with only A/1, B/1, and C/1 seeing circulation. Completely original and definitely better than typically encountered. Desirable in this condition, especially with the Exceptional Paper Quality designation.

26172 Sarawak Government of Sarawak 5 Dollars 1.7.1929 Pick 15 KNB21a PMG Very Fine 30.

A well preserved 5 dollar from the 1929 to 1940 issue. Printed by Bradbury, Wilkinson & Company, this design features the portrait of an older Charles Vyner Brooke in uniform and has text in English, Chinese, and Jawi languages. Interestingly, with this issue, the Latin motto *Dum Spiro Spero* (While I breathe, I hope) was added to the Brooke coat of arms.

26173 Sarawak Government of Sarawak 1 Dollar 1.1.1935 Pick 20 KNB27 PMG Choice About Unc 58.

Deep green inks on a pastel undertone create great eye appeal on this 1935 issued note featuring the portrait of the last White Rajah of Sarawak, Charles Vyner Brooke. The territory located on the Island of Borneo, today a part of Malaysia, was acquired by the Brooke family through a series of land purchases. It received recognition from the United States and later the United Kingdom and existed as a protectorate. The currency was pegged with the Straits Dollar, which circulated in bordering territories and which eased transactions of the mainly agricultural products produced in Sarawak.

Seldom Seen British Commonwealth Type

26181 **Solomon Islands** Government of the British Solomon Islands 1 Pound 2.1.1926 Pick 1 PMG Very Fine 20.

Any banknote from this series is quite special, as very few were issued and almost none were saved for posterity. Thomas de la Rue prepared 6,000 banknotes across three dates, with 5,546 issued from 1917 through 1937, before these notes were withdrawn. Interestingly, local issues for the Solomon Islands were initially not intended for use by the native population, which is the reason for such a small issuance for this type. We have not offered this type previously, and only five examples have been graded by PMG at the time of cataloging. A must-have for British Commonwealth and South Pacific collectors.

26182 **Southern Rhodesia** Southern Rhodesia Currency Board 10 Shillings 1.2.1945 Pick 9b PMG Gem Uncirculated 65 EPQ.

Completely as-issued and very scarce as such, this example is only the second Pick 9b in Uncirculated grade to be auctioned publicly in the past decade. In fact, 1945 is a difficult date to find in any grade. Perfect paper, vivid color schemes, and strong embossing are easily seen on this example, which is among the finest graded examples known for the entire series.

26183 **Southern Rhodesia** Southern Rhodesia Currency Board 1 Pound 1.9.1950 Pick 10f PMG About Uncirculated 55.

One of Bradbury, Wilkinson & Company's most beautiful engravings, this denomination is widely sought after and seldom seen in such a good grade. Only brief circulation is seen on this example, which features a later date in the series that began in 1939. The coloration is unusually strong and punch-through embossing is noted as well. Simply, this example is much above average for the type and is especially desirable as such.

Vignettes of Victory Falls and a sable antelope head are displayed on the back. Amazing guilloche designs and well blended tranquil inks are utilized on this first signature issue. A hard to find issue with only four examples registered in the *PMG Population Report*. 26188 **Straits Settlements** Government of Straits Settlements 1 Dollar 1.1.1933 Pick 16a PMG Choice Extremely Fine 45.

A well centered example with broad margins printed by Bradbury Wilkinson & Co. Ltd. All original features are distinct on this elusive rare date. Pick 16a is a much scarcer number than the only other number of the design which is 16b. A portrait of King George on the front and a vignette of a tiger on the back draw a strong attraction to this always popular design.

26190 **Straits Settlements** Government of Straits Settlements 10 Dollars 1.1.1935 Pick 18b KNB22e PMG About Uncirculated 55 EPQ.

An incredible example of this desirable type, which is especially heightened by EPQ status. In fact, at the time of cataloging, only 18 banknotes of the 475 graded examples in the *PMG Population Report* have been designated with Exceptional Paper Quality. Completely fresh paper and colors are seen on this King George V type, which is one of the most beautiful creations by Bradbury, Wilkinson & Company.

Starting Bid: \$1,500

26189 **Straits Settlements** Government of Straits Settlements 1 Dollar 1.1.1935 Pick 16b KNB20e PMG Choice About Unc 58 EPQ.

This virtually pack fresh example has been granted EPQ status, which is seldom seen on banknotes from this region. Although dated 1935, this type actually circulated until the end of World War II, as the new Malaya banknotes were not issued until 1945. Simply beautiful and ornate features are seen on this popular series featuring King George V.

26191 **Trinidad & Tobago** Government of Trinidad and Tobago 1 Dollar 1.4.1905 Pick 1b PMG Very Fine 30.

This scarce example is tied for the second finest grade in the *PMG Population Report*, with none registered above the Very Fine level. Printed by Thomas De La Rue, the face features the blue vignette of the landing of Columbus at left and the coat of arms at center. A central vignette of a mountain with sailing ship highlights the back. The horizontal bar is seen with the prefix A/11 (this bar was removed in later issues starting with prefix A/25). Excellent eye appeal remains on this elusive note.

26192 **Trinidad & Tobago** Government of Trinidad and Tobago; Central Bank 2; 5 Dollars 1.5.1942; 1964 Pick 8; 27b Two Examples **PMG Very Fine 25; Choice Uncirculated 64.**

A wonderful pair of notes from this Caribbean island. The Government issued 2 dollars is the number-letter prefix variety and was previously held in The Amon Carter & Christensen Collections. The Central Bank issued 5 dollars note, carrying the signature of Alexander N. McLeod, this can be placed between 1966 and 1969. Small tears are mentioned on the Pick 8 example.

Excessively Rare British Commonwealth Type

26193 **Turks & Caicos Islands** Government of the Turks and Caicos Islands 1 Pound 12.11.1918 Pick 3b **PMG Very Fine 20.**

Turks and Caicos is known to Americans and Europeans as a sparsely populated and simply beautiful vacation spot, but that is typically where the discussion ends. However, this small British Overseas Territory, at the tail end of the Bahamas Islands chain, has an interesting history that dates back to 1512. The British finally wrestled complete control of the Bahamas and Turks & Caicos in 1799, both direct and indirect administration have occurred since. Colony-specific banknotes were first prepared for the Turks & Caicos from 1903 until 1928, when Jamaican banknotes replaced local issues. To fully understand the rarity of any Turks & Caicos issue, it is important to note that the population of the colony was between 4,500 and 6,000 people during the lifespan of these banknotes, which is an indicator of how few were actually issued. Between 1903 and 1928, 5 Shillings, 10 Shillings, and 1 Pound denominations were issued, with print totals per date varying, but assuredly in small batches. In 1930, Jamaican banknotes replaced the local issues, and in 1950, British Caribbean Territory banknotes replaced the Jamaican issues.

This one pound note is the first Turks & Caicos Islands banknote in any format submitted to PMG for grading. Minor restorations were tastefully applied to ensure that this banknote would be preserved for future generations to enjoy. This is truly one of the greatest rarities of the British commonwealth and most likely missing from all collections. According to our records, this type was only auctioned once before when the Dauer's purchased it in the Christensen sale (ex Amon Carter) in 2009. It is also the Pick plate note in the *Standard Catalog of World Paper Money*.

26196 Western Samoa Territory of Western Samoa 10 Shillings 20.7.1943 Pick 7b PMG Very Fine 30 Net.

A beautiful and underrated type, seldom seen with such bright colors and decent paper. This World War II dated example displays a clear date and signatures. Repairs to the margins are noted on this otherwise handsome example. We have not offered this type in nearly 6 years, which should hint at its scarcity. An important opportunity to acquire a rare type.

Minor repairs are noted on this otherwise handsome and desirable banknote.

Auction Venues:

3. Heritage Weekly Internet Auctions (Coin, Currency, Comics, Jewelry, and Vintage Movie Posters); Heritage Monthly Internet Auctions (Sports, World Coins, and Rare Wine) are conducted solely on the Internet. Signature® Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; HeritageLive!® and real-time telephone bidding are available to registered clients during these auctions.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction (“Bidder(s)”).
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectible-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Internet bids will only be accepted from pre-registered Bidders. Bidders who are not members of HA.com or affiliates should preregister at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit will be granted at the discretion of Auctioneer. Auctioneer may, in its sole discretion, require a deposit in good funds of twenty-five percent (25%) of the amount of each bid prior to acceptance of the bid. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security so a credit check may be performed prior to Auctioneer's acceptance of a bid. Settlement via check and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of: HA.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction.

Bidding Options:

8. Bids in Signature® Auctions may be placed as set forth in the printed catalog section entitled “Choose your bidding method.” For auctions held solely on the Internet, see the alternatives on HA.com. Review at <http://www.ha.com/c/ref/web-tips.zx#biddingTutorial>.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) and floor bids must be on-increment or at a half-increment (“Cut Bid”). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding or entry of bids. When identical mail or fax bids are submitted, preference is given to the first received. To ensure the greatest accuracy, written bids should be entered on the standard printed bid sheet and received by Auctioneer at least two business days prior to Auction start. Auctioneer is not responsible for executing mail bids or fax bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, fax, email, Internet, or in person once Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: “How can I lose by less than an increment?” on our website. Bids will be accepted in whole dollar amounts only. No “buy” or “unlimited” bids will be accepted.

Current bidding increments during any live auction session or components thereof (e.g. mail/fax bids and LiveProxy bidding) (see HA.com/c/ref/web-tips.zx#guidelines-increments) are:

Current Bid	Bid Increment	Current Bid	Bid Increment
< \$10	\$1	\$10,000 - \$19,999	\$1,000
\$10 - \$49	\$2	\$20,000 - \$49,999	\$2,000
\$50 - \$99	\$5	\$50,000 - \$99,999	\$5,000
\$100 - \$199	\$10	\$100,000 - \$199,999	\$10,000
\$200 - \$499	\$20	\$200,000 - \$499,999	\$20,000
\$500 - \$999	\$50	\$500,000 - \$999,999	\$25,000
\$1,000 - \$1,999	\$100	\$1,000,000 - \$1,999,999	\$50,000
\$2,000 - \$4,999	\$200	\$2,000,000 - \$9,999,999	\$100,000
\$5,000 - \$9,999	\$500	>= \$10,000,000	\$200,000

Note: Half-increment bidding is available prior to the live auction session.

12. If Auctioneer calls for a full increment, Bidder may request Auctioneer to accept a Cut Bid only once per lot. After offering a Cut Bid, Bidder may continue to bid on lot only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions. Bids solicited by Auctioneer at other than the expected increment will not be considered Cut Bids.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A “Minimum Bid” is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN “Minimum Bids” ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE

“Minimum Bid”, THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. “Minimum Bids” are generally posted online several days prior to the Auction closing. Any successful bid placed by a consignor on his property on the Auction floor, by any means during the live session, or after the “Minimum Bid” for an Auction have been posted, will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot. Auctioneer or its affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates.

14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise. Regardless of placed bids, Auctioneer reserves the right to withdraw any lot, or any part of a lot, from Auction at any time prior to the opening of any such lot by the auctioneer (crier), or in the case of Internet-only auctions when the bid opens for either live Internet bidding or the beginning of any extended period.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in “Good Faith” when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in “Good Faith.” Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold or the Auctioneer may place a protective bid on behalf of the consignor.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, bidding may be extended at Auctioneer's discretion. Bidders unable to place their bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots.
22. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
23. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

24. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the merchandise; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes “good funds”: checks drawn on a U.S. bank are subject to a ten business day hold, thirty days when drawn on an international bank. Clients with pre-arranged credit may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 business days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website. Payment via credit card (Visa, Mastercard, and Discover) will be accepted upon prior approval by Auctioneer. All payments by credit card will incur a surcharge of 2.5%. Payment by eCheck, wire transfer, or check will not incur a surcharge. This fee only applies to credit transactions, and does not exceed Auctioneer's cost of processing.
25. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after Auction close. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer. Alternatively, Auctioneer at its sole option, may charge a twenty (20%) fee based on the amount of the purchase. In either case the Auctioneer may offset amount of its claim against any monies owing to the Bidder or secure its claim against any of the Bidder's properties held by the Auctioneer.
26. Purchased lots may be subject to taxes or fees imposed by various foreign taxing agencies. Buyer is responsible for paying all foreign imposed taxes whether VAT, GST, etc. prior to delivery unless other arrangements are made in writing. Lots delivered to Buyer, or Buyer's representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Should state sales tax become applicable in the state for delivery prior to delivery of the property on the invoice, Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. Buyer agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
27. In the event that Buyer's payment is dishonored upon presentment(s), Buyer shall pay the maximum statutory processing fee set by applicable state law. If Buyer attempts to pay via eCheck and Buyer's financial institution denies this bank account, or the payment cannot be completed using the selected funding source, Buyer agrees to complete payment using your credit card on file (subject to the surcharge detailed in paragraph 24).
28. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, Buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
29. In the event Buyer fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or resell the lot(s) in a future auction conducted by Auctioneer. A defaulting Buyer agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Buyer is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
30. Title shall not pass to Buyer until all invoices are paid in full. Auctioneer shall have a lien against the merchandise purchased by Buyer to secure payment of any and all outstanding Auction invoices. Auctioneer is further granted a lien and the right to retain possession of any other property of Buyer then held by Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due Auctioneer or affiliates from Buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). Any Heritage

foreclosure auction venue, whether or not the same venue as when the debt was incurred (e.g. Signature, Internet, or weekly), is deemed a reasonably commercial sale. In addition, with respect to payment of the Auction invoice(s), Buyer waives any and all rights of offset he might otherwise have against Auctioneer and the consignor of the merchandise included on the invoice. If Buyer owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Buyer, and it may secure by possessory lien any unpaid amount by any of the Buyer's property in their possession.

Delivery, Shipping, and Handling Charges:

31. Buyer is liable for all shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Merchandise will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer (subject to the surcharge detailed in paragraph 24).
32. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item's hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot.
33. On all shipments in which Auctioneer charges the Delivery, Handling, and Transit Fee *infra*, any risk of loss during shipment will be borne by Auctioneer until the common carrier's confirmation of delivery to the address of record in Auctioneer's file, this is the "Secure Location". A common carrier's confirmation is conclusive to prove delivery to Buyer; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature. Auctioneer shall arrange, select, and engage common carriers and other transportation vendors on your behalf. Transit services are subject to the following terms and conditions:
 - a. **Scope of Transit Services:** Merchandise for transit will be insured under one or more insurance policies issued by an authorized broker to Auctioneer. The merchandise will be insured for the invoice price of the properties (hammer price plus Buyer's Premium) ("Insured Value"). For each shipment, Buyer will provide a Secure Location to which the items will be delivered. NOTICE: **Auctioneer is neither an insurance company nor a common carrier of any type.**
 - b. **Auctioneer's Compensation for Transit Services:** Auctioneer will provide transit services to Buyer for ¼ of 1% of the Insured Value, plus packaging and handling fees and fees for the common carrier (collectively, "Delivery, Handling, and Transit Fee"). Buyer agrees to pay Delivery, Handling, and Transit Fee and comply with all terms of payment as set forth herein.
 - c. **Auctioneer's Limitation of Liability for Transit Services:** Buyer understands and agrees that Auctioneer's liability for loss of or damage to the items, if any, ends when the items have been delivered to the Secure Location, and Auctioneer has received evidence of delivery. Any claim that property has sustained loss or damage during transit must be reported to Auctioneer within seventy-two (72) hours of the delivery date. Any recovery for loss of or damage to any merchandise is limited to the lesser of actual cash value of the merchandise or the Insured Value. **Under no circumstances is Auctioneer liable for consequential or punitive damages.**
34. It shall be the responsibility for Buyer to arrange pick-up or shipping in a timely manner (within 10 days). Merchandise will be subject to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5 daily for smaller items (storage fee per item) after 35 days. In the event the merchandise is not removed within ninety days, the merchandise may be offered for sale to recover any past due storage or moving fees, including a 20% Seller's Commission.
35. A. NOTICE OF CITES COMPLIANCE: The purchase of items made from protected species: Any property made of or incorporating endangered or protected species or wildlife may have import and/or export restrictions established by the Convention of International Trade in Endangered Species of Wild Fauna and Flora (CITES) in various countries and domestically. Plant and animal properties include (but are not limited to) items made of (or including) Brazilian rosewood, ivory, whalebone, turtle shell, coral, crocodile, alligator, lizard, or other wildlife. These items may not be available to ship internationally or, in some cases, domestically. Domestic bans and restrictions exist in these states: 1) California state law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California. 2) Fossil Ivory is currently banned or restricted in 5 U.S. states: New York, New Jersey, California, Hawaii, and New Mexico. By placing a bid, the bidder acknowledges that he or she is aware of any restriction in their country or place of residence and takes responsibility for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay, failure, or incapacity to obtain any such license or permit does not relieve the buyer of timely payment or afford them the capacity to void their purchase or payment. Lots containing potentially regulated wildlife material are noted in the description as a convenience to our clients. Heritage Auctions does not accept liability for errors or failure to mark lots containing protected or regulated species. For further assistance, please contact client services at 1-800-872-6467.
35. B. California State law prohibits the importation of any product containing Python skin into the State of California. No merchandise containing Python skin will be shipped to or invoiced to a person or company in California.
35. C. Auctioneer shall not be liable for any loss caused by or resulting from:
 - a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
 - b. Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles.
36. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties, and Disclaimers:

37. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of merchandise or second opine contained in this Auction is for the sole purpose of identifying merchandise for those Bidders who do not have the opportunity to view merchandise prior to bidding, and no description of merchandise has been made part of the basis of the bargain or has created any express warranty that merchandise would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, e.g. Fine Art, may have express written warranties and Bidder is referred to those specific terms and conditions.
38. Auctioneer is selling only such right or title to merchandise being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the merchandise. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.
39. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.

Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.
41. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for return or reduction in purchase price.

Release:

42. In consideration of participation in Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opinions, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein, and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.
43. Notice: Some merchandise sold by Auctioneer is inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Buyer accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or consequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution, Arbitration, and Remedies:

- By placing a bid or otherwise participating in Auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein.
44. **Exclusive Dispute Resolution Process:** All claims, disputes, or controversies in connection with, relating to, and/or arising out of Bidder's participation in Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description, and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation, or any claim made by Bidder of a lot or Bidder's participation in Auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer [which claim Bidder consents to be made a party] (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent) and Auctioneer each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administered by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. In the event that any Claim needs to be litigated, including actions to compel arbitration, construe the agreement, actions in aid of arbitration, or otherwise, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. A Claim is not subject to class certification.
 45. **Choice of Law:** Agreement and any Claim shall be determined and construed under Texas law.
 46. **Fees and Costs:** The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought versus awarded or the successful defense of a Claim based on damages sought versus awarded) may be awarded reasonable attorneys' fees and costs.
 47. **Remedies:** Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. After one (1) year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. Exemplary or punitive damages are not permitted and are waived. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Buyer; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, refund Buyer's purchase price without further obligation. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return.
 48. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

49. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.
50. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.
51. **Rules of Construction:** Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

Additional Terms & Conditions: COINS & CURRENCY

COINS and CURRENCY TERM A: Signature® Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. **AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY.** Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet **THREE (3) DAY RETURN POLICY:** Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, <http://www.ngccoin.com/services/writtenguarantee.asp>; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, <http://www.pcg.com/guarantee.html>; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Bellevue Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency and PMG may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 10470, Peoria, IL 61612-0470; PCGS Gold Shield, PO Box 9458, Newport Beach, CA 92658. Third-party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Notes graded by PCGS Currency between February 4, 2009 and January 30, 2019 were graded and authenticated by K3B, Inc. under license from Collectors Universe, Inc. K3B, Inc., now operating as Legacy Currency Grading, has expressed in writing that notes graded under the license during this time period will still be covered by the full written guaranty of PCGS Currency. Warranties may be available from Collectors Universe, Inc. for all PCGS Currency notes graded prior to February 4, 2009.

COINS and CURRENCY TERM G: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM H: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS and CURRENCY TERM I: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM J: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM K: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the noncertified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM L: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM M: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM N: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
