World banknotes

> From December 28, 2020 to January 10, 2021

NUMIZON
BANKNOTE EXPLORER

Presentation of the sale

Here is the catalog of the “**Numizon Sale # 2**”. This second sale mainly focuses on banknotes from the Banque of France, French Treasury and Algeria. A large part of the lots were graded by PMG. We thus hope to satisfy both our French users (50%) and our foreign users (the other 50%) who mainly favor this certification.

We would like to thank our first customers of the sale “Numizon Sale # 1” for placing their trust in us and for having technically tested our website! You will find the results at the end of this catalog. We wish you in advance a year 2021, just “normal”, that would already be good !

Take care of yourself and your loved ones and see you next year for a very different “Numizon Sale # 3” ...

How it works?

Two purchasing possibilities are available to you, “Buy Now” or “Place an offer” lower than the displayed price. **The 115 lots will be available for Buy Now from Monday, December 28, 2020 at 09:00 a.m.** The proposed selling prices are in line with the market. However, **you have the option of placing a bid lower than the displayed price until Sunday, January 10, 2021 at 10:00 p.m.** Once the sale is closed, for each lot, the best offer received and higher than the reserve price will win the lot. Lots that have not received any offer greater than the reserve price will be returned to their owner. Of course, the reserve prices are not visible.

A participation fee of 10 % (12 % with VAT) will be applied to the prices realized.

Our next catalog is being prepared, if you would like to include your banknotes for this sale, please [contact us](#).

Who are we?

We created [numizon.com](#) so that you can **build your collection serenely of old banknotes**. We already propose:

- **high quality pictures** of the banknotes in the catalog,
- **information on the different variants** of issued and unissued banknotes,
- **sales archives** to know market trends,
- **a selection of daily listings** mainly coming from ebay,
- **news and detailed articles** (almost daily),
- a service to **grade your banknotes by PMG** (Paper Money Guaranty), world leader grading,
- **alert management to be notified** when your wanted banknotes appear on the market.

Enjoy reading and see you soon.

Olivier Attalin,

Founder of Numizon

Customer service: contact@numizon.fr

Terms of sales

Participation in “Numizon Sale # 2” implies acceptance of these rules. **Creation of an account on our website [numizon.com](https://www.numizon.com) is necessary to participate in this sale.**

1 / “BUY NOW” OPTION

- Lots are listed with a sale price reflecting our estimate on the market.
- Lots can be purchased immediately after the auction opens. From our website, just add the lot to the basket and proceed to payment.
- A participation fee of 10 % (12 % with VAT) is applied in the basket in addition to the price displayed. These costs pay for our service.
- Placing the lot to the basket is not sufficient to guarantee the purchase. Indeed, a lot is always available for sale as long as it has not been paid for. Only the payment, which follows an order, makes the lot yours and makes it unavailable to the other participants.

2 / “PLACE AN OFFER” OPTION

- An offer is a purchase proposal lower than the displayed price.
- An offer commits you to buy the lot if this offer is declared the winner.
- To place an offer, all you have to do is to connect to our website, to consult the lot and to enter the amount of your offer.
- An offer is not cancellable, but you can increase it by submitting a new offer greater than the first one.
- An offer must not be less than 50 % of the sale price displayed (automatic refusal by our website).
- At the end of the sale, the best offer received, greater than the reserve price of the lot, is declared the winner. The author of this offer will see the winning lot displayed in his basket within 24 hours. He can thus proceed to the payment.
- In the event of a tie on the amount of the best offers, the first offer received wins the lot.
- Warning: A lot purchased with an “Buy Now” option will result in the cancellation of all offers received on this lot.

3 / OPENING DATE AND CLOSING DATE OF THE SALE

- The opening of our sale on offers No. 2 is set for **Monday, December 28, 2020 at 09:00 a.m.**
- The end of our sale on offers No. 2 is set for **Sunday, January 10, 2021 at 10:00 p.m.**

4 / CONFIDENTIALITY

- Reserve prices are not public. We are committed to keeping them confidential.
- We also guarantee complete confidentiality of participants.

5 / AUTHENTICITY AND DESCRIPTION OF LOTS

- We guarantee the authenticity of the banknotes we propose to sale.
- You will find on website, in the page detailing the lot, a precise description of the quality when the banknote is not graded.
- For ungraded banknotes, you can consult them, by appointment only, at 27, rue du Chemin vert 75011 Paris, France.

Terms of sales

6 / PAYMENT

- Payment is made directly on our website, in a secure way. We rely on Paypal checkout.
- You can pay for your basket with your paypal account (no additional costs) or with your credit card without having to create a paypal account.
- Lots awarded on offers must be paid within 2 weeks after the end of the sale.

7 / SHIPPING

- Lots will be shipped within 72 hours after receipt of payment.
- For shipments in FRANCE, delivery costs of € 6 will be charged. Lots will be sent by registered mail with acknowledgment of receipt (amount < € 350) or declared value (amount > € 350).
- For INTERNATIONAL shipments, delivery costs of € 15 will be charged. The lots will be shipped by DHL.

8 / UNSOLD

- After the sale closes, the unsold lots will no longer be available. The lots will be returned to their owner.

9 / DISPUTES

- We will receive justified disputes one week at the latest after receipt of the banknotes.

Catalogs and inventories references

Several catalog references are indicated just after the lot number:

- **P** = « World Paper Money » (all editions) by George S. Cuhaj. Krause Publications,
- **B** = « [The Banknote Book](#) » (all editions) by Owen W. Linzmeyer,
