Dewing 377 (same dies). Gillet 203 (same dies). Very Fine and very rare. As with many of the cities of Magna Graecia, the gold issues of Metapontum are typically associated with periods of abnormal military expenditure. The similarity of the head of Hera here to that on the issues of Tarentum during the time of Alexander the Molossian, and the exceptional appearance of Hera on an issue of Metapontum, suggest that this issue was struck when the city was allied with the Epirote king. From a Swiss collection formed before 2005.
