## AUKTIONSBEDINGUNGEN

Für die Hess Divo Auktionen gelten folgende Versteigerungsbedingungen, welche durch die Abgabe eines schriftlichen, elektronischen, mündlichen oder telefonischen Gebotes vollumfänglich anerkannt werden:

1. Die Versteigerung erfolgt freiwillig und öffentlich im Namen der Hess Divo AG für Rechnung des oder der ungenannt bleibenden Einlieferer.
2. **Die Auktion findet unter Mitwirkung des Stadtammannes Zürich 1 statt. Jede Haftung des mitwirkenden Stadtammanns, der Gemeinde und des Staates für Handlungen des Auktionators entfällt.**
3. Der Hess Divo AG (im Folgenden "Versteigerer") unbekannte Bieter sind gebeten, sich vor der Auktion zu legitimieren. Ferner behält sich der Versteigerer vor, nach freiem Ermessen und ohne Angabe von Gründen Personen den Zutritt zu den Auktionsräumlichkeiten zu untersagen.  
Der Versteigerer ist mit Zustimmung der Auktionsaufsicht berechtigt, von der im Katalog vorgesehenen Reihenfolge abzuweichen und Nummern zu vereinigen. Bei Meinungsverschiedenheiten kann ein Los vom Versteigerer erneut ausgerufen werden.
4. Schriftliche und telefonische Aufträge werden vom Versteigerer sorgfältig und interessewährend, jedoch ohne Gewähr, ausgeführt. Schriftliche Gebote (und solche auf elektronischem Weg) können nur bei deren Eingang bis spätestens 24 Stunden (bzw. 12 Stunden bei Geboten über eine Internetplattform) vor Auktionsbeginn berücksichtigt werden. Telefonisches Bieten ist grundsätzlich möglich für Stücke mit einem Startpreis über Fr. 1000,- und muss bis spätestens 48 Stunden vor Auktionsbeginn angemeldet werden. Für das Zustandekommen einer Telefonverbindung kann nicht garantiert werden.
5. Der Veranstalter versichert, die Bestimmungen des Kulturgütertransfergesetzes vollumfänglich beachtet zu haben.
6. Für die Versteigerung sind nicht die Abbildungen, sondern ausschliesslich die Beschreibungen zur jeweiligen Losnummer im gedruckten Auktionskatalog massgebend. Der im Internet publizierte Auktionskatalog hat lediglich informativen Charakter.
7. Der Zuschlag erfolgt durch den Ausruf des höchsten Gebotes und verpflichtet den Höchstbietenden zur Abnahme des Loses. Bei gleich hohen schriftlichen Geboten hat das früher eingegangene Gebot Vorrang. Gebote, die den Startpreis unterschreiten, können nicht berücksichtigt werden. "Entweder/oder"-Aufträge sowie Auftragslimiten können nur bedingt ausgeführt respektive berücksichtigt werden. Der Versteigerer kann, ohne Angabe von Gründen und ohne dafür zu haften, Gebote ablehnen. Mit dem Zuschlag geht die Gefahr auf den Käufer über. Jeder erfolgreiche Bieter ist für seine Käufe persönlich haftbar und kann nicht geltend machen, für Rechnung Dritter gekauft zu haben.
8. **Auf den Zuschlagspreis ist ein Aufgeld in der Höhe von 22,5% zu entrichten. Für erfolgreiche Internetgebote werden zusätzlich 2,5% fällig. Die Auktionsrechnung ist nach erfolgtem Zuschlag sofort fällig und in Schweizer Währung zu bezahlen.**
9. Für Platin-, Silber- und Kupfermünzen sowie alle Medaillen, Banknoten, Orden, Antiquitäten, etc. wird auf das Total der Auktionsrechnung (d.h. Zuschlagspreis plus Aufgeld und allfällige Versandkosten und Versicherungsprämien) die gesetzliche Mehrwertsteuer in der Höhe von 8,1% erhoben.  
**Für staatlich geprägte Goldmünzen und das darauf anfallende Aufgeld wird keine Mehrwertsteuer erhoben.**  
Die Mehrwertsteuer entfällt, sofern die Auktionslose durch den Versteigerer ins Ausland speditiert werden. Käufern mit Wohnsitz ausserhalb der Schweiz, welchen die ersteigerten Auktionslose in Zürich ausgehändigt werden, wird die Mehrwertsteuer vorerst in Rechnung gestellt, jedoch nach Vorliegen der definitiven Veranlagungsverfügung des Schweizer Zolls vom Versteigerer vollumfänglich zurückerstattet.
10. Die Auktionsrechnung ist sofort nach Erhalt, spätestens aber innert 10 Tagen nach Auktionsende zu bezahlen. Nach Ablauf der Zahlungsfrist fällt der Käufer automatisch in Zahlungsverzug und der Versteigerer ist berechtigt, Zinsen in der Höhe von 10% p.a. zu verlangen. Bei Zahlungsverzug des Käufers oder bei Verweigerung der Abnahme behält sich der Versteigerer das Recht vor, entweder gegen den Käufer auf Erfüllung des Vertrages oder auf Ersatz des aus der Nichterfüllung entstandenen Schadens zu klagen oder aber vom Verträge zurückzutreten.
11. Die Auktionslose werden grundsätzlich erst nach vollständiger Bezahlung der Auktionsrechnung übergeben oder verschickt. Es liegt allein im Ermessen des Versteigerers, Lose gegen Rechnung auszuhändigen. Im Ausland anfallende Abgaben, wie z.B. Zollgebühren und Steuern, sowie die bei einem Versand anfallenden Versandkosten und Versicherungsprämien gehen vollständig zu Lasten des Käufers.  
Der Versand in die Russische Föderation erfolgt ausdrücklich auf eigenes Risiko des Empfängers.

12. Das Eigentum des Einlieferers am versteigerten Auktionsgut bleibt bis zur vollständigen Begleichung der Auktionsrechnung vorbehalten.
13. Die Beachtung ausländischer Zoll- und Devisenvorschriften, etc. ist Sache des Käufers. Der Versteigerer lehnt die Verantwortung für allfällige Folgen ausdrücklich ab, die sich aus der Zuwiderhandlung gegen derartige Bestimmungen ergeben können.
14. Die zu versteigernden Lose werden nach bestem Wissen und Gewissen sowie mit grösster Sorgfalt beschrieben. Die Bieter haben die Möglichkeit, sich über den Zustand der Lose während der im Katalog angegebenen Besichtigungstage persönlich oder durch einen Vertreter zu informieren.  
Begründete Reklamationen hinsichtlich des Zustandes des ersteigerten Auktionsgutes müssen bei der Hess Divo AG mit eingeschriebenem Brief geltend gemacht werden. Eine Reklamation wegen Meinungsverschiedenheiten über den Erhaltungsgrad eines Loses wird nicht akzeptiert. Lose, welche mehr als ein Stück beinhalten, sind von jeglicher Reklamation ausgeschlossen.
15. Die Echtheit der Auktionsgüter wird gewährleistet. Der Gewährleistungsanspruch wird ausschliesslich dem Käufer eingeräumt und darf nicht an Dritte abgetreten werden. Die Geltendmachung des Gewährleistungsanspruchs setzt voraus, dass der Käufer gegenüber der Hess Divo AG sofort nach Entdeckung des Mangels mit eingeschriebenem Brief Mängelrüge erhebt und der Hess Divo AG das gefälschte Auktionsgut im gleichen Zustand, wie es ihm übergeben wurde, und unbelastet von Ansprüchen Dritter zurückgibt. Der Käufer hat dabei auf eigene Kosten den Nachweis zu erbringen, dass es sich beim Auktionsgut um eine Fälschung handelt. Die Hess Divo AG kann vom Käufer verlangen, dass dieser auf eigene Kosten Gutachten von zwei unabhängigen und in dem Bereich anerkannten Experten einholt, ist aber nicht an solche Gutachten gebunden und behält sich das Recht vor, zusätzlichen Expertenrat auf eigene Kosten einzuholen.
16. Bei Münzen in sogenannten "slabs" (NGC, PCGS, etc.) erlischt jegliche Gewährleistung, sobald diese geöffnet werden. Beanstandungen jeglicher Art müssen direkt gegenüber NGC oder PCGS vorgebracht werden. Die Hess Divo AG übernimmt keinerlei Mängelhaftung von geslabten Münzen.
17. Die Ansprüche des Käufers gegen die Hess Divo AG in berechtigten Fällen von Reklamationen hinsichtlich des Zustandes oder der Unechtheit des Auktionsgutes beschränken sich auf die Rückerstattung des vom Käufer gezahlten Kaufpreises und Aufgeldes (inkl. allfälliger MWST). Weitergehende oder andere Ansprüche des Käufers gegen die Hess Divo AG oder deren Mitarbeiter sind unter jedwelchem Rechtstitel ausgeschlossen.
18. Die Namen der Einlieferer und Käufer werden grundsätzlich nicht bekanntgegeben. Der Versteigerer ist ermächtigt, alle Rechte des Einlieferers aus dem Auftragsverhältnis in eigenem Namen gegenüber dem Käufer geltend zu machen.
19. Erfüllungsort und ausschliesslicher Gerichtsstand ist 8001 Zürich, Schweiz. Im Übrigen gelten die kantonalen sowie eidgenössischen Gesetze. Die Versteigerung sowie alle mit dieser in Zusammenhang stehenden Rechtsgeschäfte unterstehen ausschliesslich schweizerischem Recht.
20. Für die Auslegung der in deutscher, französischer und englischer Sprache vorliegenden Auktionsbedingungen ist der deutsche Originaltext massgebend.

## CONDITIONS of sale BY AUCTION

The following conditions of auction, which are deemed to be accepted in full upon submission of a written, electronic, verbal or telephone bid, apply to Hess Divo Auctions:

1. The auction is carried out voluntarily and publicly in the name of Hess Divo AG for the account of the consignor(s), who remain(s) anonymous.
2. The auction will be held under the authority of the City of Zurich.
3. Bidders who are unknown to Hess Divo AG (hereinafter referred to as "Auctioneer") are asked to prove their identity prior to the auction. In addition, the Auctioneer reserves the right to deny individuals access to the auction premises, at its own discretion and without stating a reason.  
The Auctioneer is entitled, with the approval of the auction monitor, to deviate from the designated order in the catalog and to combine lot numbers. In case of disagreement, the Auctioneer may re-offer a lot. The auction is conducted in German and partly in English.
4. The Auctioneer executes written orders and telephone orders diligently and in the interests of the consignor, however without liability. Written bids (and bids submitted electronically) can only be considered if they are received no later than 24 hours prior to the auction (or 12 hours for bids submitted via an Internet platform). In principle, telephone bidding is possible for items with a starting price of over CHF 1000,- and bids must be placed at least 48 hours before the auction begins. A successful telephone line can not be guaranteed.
5. The auctioneer declares to submit to the Swiss „Kulturgütertransfersgesetz“.
6. Only the descriptions of each respective lot number in the printed catalogue, and not the illustrations, are binding for the auction. The auction catalogue published on the internet is for information purposes only.
7. The prices in the catalogue are starting prices in Swiss Francs (CHF) and represent the minimum knock-down price. Bids that are lower than the starting price can not be taken into account. The award takes place following a call for the highest bid, which commits the highest bidder to purchase the lot. If equally high written bids are received, the first received bid has priority. "Either / or" orders and order limits can only be executed or considered conditionally. The Auctioneer may reject a bid, without stating a reason and without liability. The risk passes to the buyer with the fall of the hammer. Each successful bidder is personally liable for his purchases and can not claim to have bought for the account of third parties.
8. **A premium of 22,5% is payable on the hammer price. For successful internet bidding there will be an additional charge of 2,5%. After the knockdown has taken place, the auction invoice is due for immediate payment in Swiss currency.**
9. For platinum, silver and copper coins and all medals, banknotes, decorations, antiques etc., statutory value added tax at the rate of **8,1%** is charged on the total of the auction invoice (i.e. hammer price plus buyer's premium and any shipping costs and insurance premiums).  
**Value added tax is not charged for state-embossed gold coins and the associated premiums.**  
Value added tax is not payable if the Auctioneer ships the auction lots abroad. Value added tax is initially charged to buyers residing outside of Switzerland to whom the auctioned lots are handed over in Zurich; however this is refunded in full by the Auctioneer once the definitive tax assessment decision of the Swiss Customs is to hand.
10. The auction invoice is due for payment immediately upon receipt, however by no later than 10 days after the end of the auction. After expiry of the payment period, the buyer automatically falls into arrears and the Auctioneer is entitled to demand interest at the rate of 10% p.a. If the buyer is in default of payment or refuses to accept the auctioned lot, the Auctioneer reserves the right to sue the buyer for either fulfillment of the contract or for compensation for losses resulting from non-fulfillment, or to withdraw from the contract.
11. In principle, the auction lots are only handed over or shipped after full payment of the auction invoice. It is at the sole discretion of the Auctioneer to hand over lots on account. Costs incurred abroad, such as customs duties and taxes, as well as the associated shipping costs and insurance charges, are borne solely by the buyer.  
Shipping to the Russian Federation is expressly made subject to the recipient's own risk.

12. The auction item remains the property of the consignor until the auction invoice has been paid in full.
13. Compliance with foreign customs and exchange regulations etc. is the responsibility of the buyer. The Auctioneer expressly disclaims responsibility for any consequences that may arise from contravention of such regulations .
14. The lots to be auctioned are described to the best of our knowledge and belief and with great care. Bidders have the opportunity to inform themselves about the condition of the lots, in person or through a representative, during the viewing days listed in the catalog.  
Justified complaints regarding the condition of the auctioned item must be received by Hess Divo AG by registered letter. Claims due to disagreement about the level of conservation of a lot are not accepted. Lots which contain more than one piece are excluded from claims of any kind.
15. The authenticity of the auction items is warranted. The right to claim warranty is granted to the buyer only and can not be assigned to third parties. The assertion of the warranty claim requires the buyer to give notice of defect to Hess Divo AG by registered letter immediately after discovery of the defect and the forged auction item must be returned to Hess Divo AG in the same condition as it was handed over to the buyer, unencumbered by third party claims. The buyer must, at his own expense, provide proof that the auction item is a forgery. Hess Divo AG may require the buyer to seek the opinion of two independent experts recognized in the field, at the buyer's own expense; however, Hess Divo AG is not bound by such opinion and reserves the right to seek additional expert advice at its own expense .
16. For coins in so-called "slabs", any warranty is void as soon as these are opened.  
Any claim or reclamation has to be made directly to NGC or PCGS.
17. Justified claims of the buyer against Hess Divo AG concerning the condition or falsity of the auction item are limited to the refund of the purchase price and the premium paid by the buyer (including any VAT). Further or other claims of the buyer against Hess Divo AG or its employees are excluded under any legal title whatsoever.
18. The names of the consignor and the buyer are not normally disclosed. The Auctioneer is entitled to exercise all rights of the consignor against the buyer arising from the contractual relationship in its own name.
19. The place of fulfillment and the exclusive place of jurisdiction is Zurich 8001, Switzerland. In addition, Swiss cantonal and federal laws apply. The auction and all related legal transactions are subject exclusively to Swiss law.
20. The original German text is authoritative for the interpretation of the present conditions of auction in the German, French and English languages.

## CONDITIONS DE VENTE AUX ENCHERES

La vente aux enchères de Hess Divo AG est régie par les conditions de vente aux enchères ci-après, lesquelles sont intégralement reconnues par la remise d'un ordre d'enchère écrit, électronique, verbal ou téléphonique:

1. La vente aux enchères a lieu volontairement et publiquement au nom de la Hess Divo AG pour le compte du ou des vendeur(s) qui reste(nt) anonyme(s).
2. La vente aux enchères se déroule sous l'autorité de la ville de Zurich, en la présence du « Stadtmann ».
3. Les enchérisseurs non connus de la Hess Divo AG (ci-après « commissaire-priseur ») sont priés de légitimer leur identité avant la vente aux enchères. Le commissaire-priseur se réserve par ailleurs le droit d'interdire l'accès à la salle de vente à certaines personnes, à son entière discrétion et sans avoir à indiquer de motifs.  
Le commissaire-priseur est en droit, avec l'accord de l'instance de surveillance des enchères, de modifier l'ordre prévu dans le catalogue et de réunir des numéros. Les lots ne sont pas subdivisés. En cas de divergences d'opinions, un lot peut être remis aux enchères par le commissaire-priseur. La vente aux enchères a lieu en allemand et en partie en anglais.
4. Les ordres écrits et téléphoniques sont exécutés par le commissaire-priseur avec diligence et en préservant les intérêts des donneurs d'ordres, mais sans garantie. Les ordres écrits (et ceux transmis par voie électronique) peuvent uniquement être pris en compte jusqu'à 24 heures au plus tard (ou 12 heures en cas d'ordres passés via une plate-forme Internet) avant le début de la vente aux enchères. Des ordres d'enchère peuvent être passés par téléphone pour les objets dont la valeur estimée est supérieure à CHF 1000,-, étant entendu que de tels ordres doivent être communiqués au plus tard 48 heures avant le début de la vente aux enchères. Un lien de téléphone ne peut pas être garanti.
5. Le commissaire-priseur garantit le respect de la loi sur le transfert des biens culturels.
6. Les reproductions figurant dans le catalogue imprimé de vente aux enchères ne sont pas déterminantes pour la vente, mais uniquement les descriptions afférentes aux différents numéros de lots. Le catalogue de la vente aux enchères publié sur Internet n'a qu'un caractère informatif.
7. L'adjudication intervient à l'annonce de l'enchère la plus élevée et oblige l'enchérisseur le plus offrant à accepter le lot. Dans le cas d'ordres écrits d'un montant identique, le premier ordre réceptionné est prioritaire. Les ordres inférieurs au prix de départ ne sont pas pris en compte. Les ordres « soit/soit » (either-or bids) et les limitations globales peuvent uniquement être exécutés/prises en compte sous condition. Le commissaire-priseur est en droit de refuser des ordres sans avoir à indiquer de motifs et sans être tenu responsable à cet égard. Les risques sont transmis à l'acheteur dès l'adjudication. Chaque enchérisseur retenu est personnellement responsable de ses achats et ne peut pas faire valoir qu'il a acheté pour le compte de tiers.
8. **Le prix d'adjudication est augmenté d'une prime de 22,5%. Lors de la participation aux enchères via des plates-formes d'enchères en ligne « Live Bidding » existantes, une prime supplémentaire de 2,5 % est exigible. La facture de vente aux enchères est payable en francs suisses immédiatement après adjudication.**
9. Pour les pièces en platine, en argent et en cuivre, de même que pour l'ensemble des médailles, billets de banque, décorations, antiquités, etc., la TVA légale de **8,1%** est appliquée au montant total de la facture de vente aux enchères (à savoir prix d'adjudication plus prime, frais d'expédition et primes d'assurance éventuels).  
**Aucune TVA n'est appliquée pour les pièces en or frappées par l'Etat et les primes y afférentes.**  
Aucune TVA n'est appliquée dans la mesure où les lots des enchères sont expédiés par le commissaire-priseur à l'étranger. La TVA est dans un premier temps appliquée aux acheteurs domiciliés hors de Suisse auxquels sont remis les lots d'enchères adjugés à Zurich. Sur présentation de la décision de taxation définitive de la douane suisse, le montant de la TVA leur est toutefois intégralement remboursé par le commissaire-priseur.
10. La facture de vente aux enchères est payable dès réception et au plus tard dans un délai de 10 jours après la fin des enchères. A l'échéance du délai de paiement, l'acheteur est automatiquement en retard dans le paiement et le commissaire-priseur est en droit d'exiger des intérêts de 10% par an. En cas de retard de paiement de l'acheteur ou de refus de réception, le commissaire-priseur se réserve le droit de faire valoir envers l'acheteur l'exécution du contrat ou des dommages-intérêts pour cause de non-exécution, ou de résilier le contrat.

11. Les lots des enchères ne sont remis ou expédiés qu'après le règlement intégral de la facture de vente aux enchères. La remise de lots contre facture relève de la seule discrétion du commissaire-priseur. Les taxes perçues à l'étranger telles que les droits de douane et les impôts, de même que les frais d'expédition et les primes d'assurance, sont entièrement à la charge de l'acheteur.  
La livraison à la Russie est expressément soumise au propre risque du destinataire.
12. Le vendeur conserve la propriété de l'objet mis aux enchères jusqu'au règlement intégral de la facture de vente aux enchères.
13. Il incombe à l'acheteur de respecter les réglementations douanières, en matière de change, etc. en vigueur à l'étranger. Le commissaire-priseur décline expressément toute responsabilité quant aux conséquences éventuelles de toute violation de telles dispositions.
14. Les lots mis aux enchères sont décrits en toute science et conscience, ainsi qu'avec la plus grande diligence. Les enchérisseurs ont la possibilité de s'informer personnellement ou par le biais d'un représentant sur l'état des lots aux dates d'exposition indiquées dans le catalogue.  
Les réclamations motivées concernant l'état de l'objet adjugé doivent parvenir à la Hess Divo AG par lettre recommandée. Aucune réclamation pour cause de divergence d'opinions quant à l'état de conservation d'un lot n'est acceptée. Les lots comportant plus d'un objet sont exclus de toute réclamation.
15. L'authenticité des objets mis aux enchères est garantie. Le droit à garantie est exclusivement accordé à l'acheteur et ne peut être cédé à des tiers. La revendication du droit à garantie présuppose que l'acheteur exerce une action en garantie contre la Hess Divo AG dès la constatation du défaut et qu'il restitue à la Hess Divo AG l'objet adjugé falsifié dans l'état où celui-ci lui a été remis, sans être grevé de revendications de tiers. L'acheteur est tenu à cet égard de prouver, à ses propres frais, que l'objet adjugé est falsifié. La Hess Divo AG est en droit d'exiger de l'acheteur que celui-ci fasse procéder à ses propres frais à une expertise par deux experts indépendants et reconnus dans le domaine concerné, sans être toutefois liée auxdites expertises et en se réservant le droit de demander conseil à un expert à ses propres frais.
16. Pour les pièces de monnaie en «slab», toute garantie prend fin dès qu'ils ont été ouverts. Dans le cas d'un doute quand à la qualité ou à l'authenticité d'une pièce de monnaie en «slab», l'acheteur doit s'adresser directement aux firmes NGC ou PCGS.
17. Les droits de l'acheteur envers la Hess Divo AG dans les cas justifiés de réclamations concernant l'état ou la non-authenticité de l'objet adjugé se limitent au remboursement du prix d'achat et de la prime versés (y compris la TVA éventuelle). Tout autre droit de l'acheteur envers la Hess Divo AG ou ses collaborateurs est exclu à quelque titre juridique que ce soit.
18. Les noms des vendeurs et des acheteurs ne sont pas communiqués. Le commissaire-priseur est en droit de faire valoir en son propre nom envers l'acheteur tous les droits du vendeur résultant de l'ordre d'enchère.
19. Le lieu d'exécution et le for exclusif est 8001 Zurich, Suisse. Les lois cantonales et fédérales sont par ailleurs applicables. La vente aux enchères et l'ensemble des actes juridiques y afférents sont exclusivement régis par le droit suisse.
20. Les présentes conditions de vente aux enchères existent en langues allemande, française et anglaise, la version originale allemande faisant foi en cas de divergence.
