# THE NEW YORK SALE® GROUP

Coming together for one of the largest annual numismatic events (The New York International Numismatic Convention) the group holds three auctions on Tuesday and Thursday of the week-long conference in January and has held over 60 auctions since its conception. By combining a vast array of experience and knowledge the group strives to offer the best service to their clients and customers. Whether you are buying at the auction or a potential vendor for the sale, any member of the group can offer advice. Catalogues are produced to the highest possible standard and may be kept as a useful reference for serious buyers and coin collectors.

Over the years the group has aimed to achieve the best possible prices for their vendors and undertakes a marketing strategy which is proven by the excellent results achieved year upon year. In 2004 the sale of an 1825 Russian silver Rouble for US\$603,750 broke the world record price achieved for any non-US coin sold by public auction and since then lots have regularly attained prices well above estimates. In 2008 results from the Italian section of the sale made a staggering US\$1,118,400, four times the pre-sale estimate. The famous Prospero collection of Ancient Greek coins was professionally presented by the group in 2012 and resulted in numerous world records, finally realizing in excess of US\$26,000,000 for the 642 lots after 8 hours of auctioneering. The printed auction catalogue will remain a major reference work for many years to come and is a 'must have' for any collector of the series.

**DMITRY MARKOV**  
Coins & Medals

Dmitry Markov Coins & Medals, New York

Dmitry Markov's interest in coin collecting goes back to 1972. In 1985 he graduated from the History Department of the Kiev State University (Ukraine) and received his M.A. for the thesis - "Monetary Circulation in Ancient Russia (8th to 13th cent. A.D.)". His broad interests in numismatics include Russia, Ancient Coinage especially those of the Northern Black Sea area, as well as Islamic Central Asia and Caucasus. He has published a number of research articles in these fields.

After coming to the U.S. in 1990, Dmitry Markov founded "Dmitry Markov Coins & Medals," a well-known leading firm dealing with Russian Coins and Medals. Dmitry Markov's continuing research on Russian, Ancient and Islamic coinage makes an invaluable addition to his very extensive auction catalogs. He has issued over 80 illustrated reference catalogues, as well as many other fixed price lists. Dmitry Markov Coins & Medals have been an elected member of the International Association of Professional Numismatists (IAPN) since 2000. *M&M Numismatics Ltd.*

M&M Numismatics Ltd, Washington DC & Switzerland

Münzen und Medaillen AG (M&M) was established in Basel, Switzerland in 1941. The founders were the brothers Dr. Erich Cahn and Dr. Herbert Cahn, professional numismatists, together with several eminent Swiss collectors. M&M became well-known in the post WWII period for its monthly fixed price lists, a series which continued for over 60 years. The firm has also conducted over 100 auctions, including great collections such as the Rosen (Ancient electrum), Bally (Roman), Kohlmoos (crown-sized coins) Sutter (Italy and Sicily) and many others. In partnership with Leu Numismatik, M&M also auctioned the Kunstfrend and Niggeler collections.

In the 1990s, Dr. Hans Voegtli assumed responsibility for Ancient coins and Dr. Bernhard Schulte for Medieval and modern coins. In 1996, M&M Numismatics opened in Washington, DC with Lucien Birkler as managing director. In 1997, M&M Deutschland opened in Weil am Rein, Germany, with Joachim Stollhoff as managing director. The Basel office closed in 2004, but both the American and German firms remain active. Today both companies continue the long tradition of serving collectors and look forward to serving your numismatics needs now and in the future.

Severin quotes Schubert and Chizhov as stating "Probably struck for Te Deum sung that day [January 10, 1702] in the Cathedral of the Assumption, celebrating Count Boris Sheremetiev's victory near Errastfer and Dorpat." On the 9th of January, 1702 (29 December 1701 by the Julian calendar), a Russian force of some 13,000 regulars and 6,000 irregulars under General Count Boris Petrovich Sheremetev defeated a much smaller Swedish force near the village of Erastfer in Livonia (present-day Erastvere, Estonia). It was Russia's first victory in the Great Northern War. Tsar Peter I received news of Sheremetev's victory the next day, January 10, 1702 (the date found in this Medallion 7 Ducat's legend).

A contemporary and diarist of these events, Ivan Afanasyevich Zhelyabuzhski recalls that "in token of such universal rejoicing [over the victory near Erastfer], Alexander Menshikov was sent on the 14th day of February in this present year of 1702 from Moscow to Pskov [where Sheremetev's headquarters was located at the time] to Lord Boris Petrovich Sheremetiev, with a gracious word and with gold pieces." On the next day, the colonels and the "Chieftains" who had taken part in the battle were given "gold pieces", while all ranks got a Rouble apiece (JRNS, Autumn 1986, p. 22).

After publishing a paper underscoring the advantages of direct communication by sea between Russia and China by passing Cape Horn, Krusenstern was appointed by Tsar Alexander I to make a voyage to the Far East to carry out this project. Under the patronage of the Tsar, Count Nicholas Petrovich Rumyantsev and the Russian-American Company, he led the first Russian circumnavigation of the world from 1803 to 1806. Tsarevich Nicholas first met Princess Alix of Hesse-Darmstadt, one of Queen Victoria's favorite granddaughters, in St. Petersburg at the wedding of her sister Princess Elisabeth to his uncle Grand Duke Sergei Alexandrovich in June 1884. He expressed interest in her to his parents, but the emperor and empress were opposed to the match. Over the next decade, Nicholas did not relent. As Tsar Alexander the Third's health began to fail, he obtained parental permission to propose to the Hessian princess while attending the April 19, 1894 wedding of Ernst Ludwig, Grand Duke of Hesse to their mutual cousin Victoria Melita of Saxe-Coburg-Gotha. Soon after arriving in Coburg, Nicholas proposed. Alix, a devout Lutheran, rejected his offer for she would have to convert to Russian Orthodoxy in order to marry the heir to the throne. Her cousin Kaiser Wilhelm II, however, interceded on Nicholas' behalf as did her sister Elizabeth. When Nicholas proposed a second time she accepted.

On November 1, 1894, Alexander III died at the smaller Livadia Palace in the Crimea, leaving the 26-year-old Nicholas as Tsar. The following day, Alix, who had arrived at Livadia days earlier in order to receive the dying tsar's blessing, was received into the Russian Orthodox faith as Grand Duchess Alexandra Feodorovna (she wanted the name Catherine, but chose Alexandra to please Nicholas). The couple had planned a lavish wedding for the spring of 1895, but Alexander's death ended that. Unwilling to wait until the official mourning had ended to marry, Nicholas decided to hold the wedding on his mother's birthday so that the court mourning would be somewhat relaxed. He also wanted to keep it a private family affair, but his uncles persuaded him to invite the diplomatic corps.

On the morning of the 26th of November, Nicholas departed the Anichkov Palace with his 16-year-old brother Grand Duke Michael in an open landau to the Winter Palace. His mother, Maria Feodorovna, meanwhile, brought Alexandra from the Sergeivsky Palace by closed coach to the Winter Palace.

Wearing a Honiton lace veil designed by her maternal grandfather Prince Albert, which was worn at the wedding of her mother, her wedding dress, imperial mantle, the Romanov Imperial Nuptial Crown, a 475-carat necklace, and the star and sash of the Order of St. Andrew, Alexandra accompanied her mother-in-law to be as she led the procession into the Great Church. Dressed in his Hussar uniform, Nicholas followed; then the Romanov Grand Dukes and Duchesses and their foreign royal relatives, including King Christian IX of Denmark, and King George and Queen Olga of Greece.

As the couple was pronounced man and wife, church bells across St. Petersburg rang as guns were fired from the Peter and Paul Fortress. With the court in mourning, there was no reception, nor honeymoon. The newlyweds went to reside with Nicholas' mother and brother in the Anichkov Palace, moving eventually to the Alexander Palace at Tsarskoye Selo.

# THE NEW YORK SALE® GROUP

Coming together for one of the largest annual numismatic events (The New York International Numismatic Convention) the group holds three auctions on Tuesday and Thursday of the week-long conference in January and has held over 60 auctions since its conception. By combining a vast array of experience and knowledge the group strives to offer the best service to their clients and customers. Whether you are buying at the auction or a potential vendor for the sale, any member of the group can offer advice. Catalogues are produced to the highest possible standard and may be kept as a useful reference for serious buyers and coin collectors.

Over the years the group has aimed to achieve the best possible prices for their vendors and undertakes a marketing strategy which is proven by the excellent results achieved year upon year. In 2004 the sale of an 1825 Russian silver Rouble for US\$603,750 broke the world record price achieved for any non-US coin sold by public auction and since then lots have regularly attained prices well above estimates. In 2008 results from the Italian section of the sale made a staggering US\$1,118,400, four times the pre-sale estimate. The famous Prospero collection of Ancient Greek coins was professionally presented by the group in 2012 and resulted in numerous world records, finally realizing in excess of US\$26,000,000 for the 642 lots after 8 hours of auctioneering. The printed auction catalogue will remain a major reference work for many years to come and is a 'must have' for any collector of the series.

Леонид Васильевич Цинченко (род. в 1907 г.) – в годы Великой Отечественной войны командир партизанского отряда, партизанского полка, помощник уполномоченного партизанского движения на Северо-Западном фронте по оперативной работе, командир 8-й Ленинградской партизанской бригады.

Родился в Предместной слободе города Киева. Был пастухом и рыбаком, работал по найму у кулаков, учился в фабрично-заводской школе и работал слесарем на киевском заводе «Арсенал». Потом служил на Черноморском флоте, занимался политической работой в первом отдельном дивизионе судов НКВД в городе Пскове. Здесь он работал начальником окружного отдела местной промышленности, пока не выдвинули на партийную работу в Славковичи. Перед началом войны занимал должность второго секретаря Славковского райкома партии.

С началом Великой Отечественной войны Цинченко находился в составе районного истребительного батальона, затем - комиссар и командир партизанского отряда «Пламя». После того как отряд вошел в состав 2-й бригады, - командир роты отряда «Буденновец». В конце апреля 1942 г. был назначен командиром второго полка 2-й бригады. Получив тяжелое ранение в одном из боев по защите Партизанского края в конце лета 1942 г., он лечился в госпитале в советском тылу. Затем был назначен заместителем начальника оперативной группы по руководству партизанским движением на Северо-Западном фронте. В начале сентября 1943 г. вылетел на самолете под Новоржев в 3-ю бригаду, которая с большими потерями вышла из вражеского окружения и потеряла своего комбрига - А.В.Германа.

Здесь Л.В.Цинченко начал формировать новую партизанскую бригаду, которой был присвоен восьмой номер. Это соединение, действовавшее на территории Со-шихинского и Островского районов, значительно выросло численно, взяло под свой контроль многие населенные пункты и важнейшие дороги. Оно провело немало успешных боевых операций, нанеся оккупантам большой урон в живой силе и технике, спасло от угона в немецкое рабство тысячи мирных граждан.

В послевоенные годы Л.В.Цинченко работал первым секретарем Славковского, Дновского, Островского райкомов партии.

1.2. Dmitry Markov Coins & Medals (Auctioneer), M&M Numismatics Ltd., act as Auction Agent for the Seller for the sale of a Lot to the Buyer unless any of these entities is in fact the owner of the Lot. As such, Auction Agent is not responsible for any default by the Seller or the Buyer.

1.3. The contract for the sale of a Lot is between the Seller and the Buyer and is subject to these Conditions and the Seller's Conditions.

1.4. THE NEW YORK SALE<sup>SM</sup> is solely owned by M&M Numismatics, Ltd., LLC and is used by license to "Dmitry Markov Coins & Medals". M&M Numismatics, Ltd, LLC assumes no responsibility for the actions of its licensee.

## 2. PRE-SALE AND DESCRIPTIONS

2.1. Statements made by us in a Catalog, during the course of the Auction or elsewhere, describing a Lot, including its authorship, origin, age, size, condition, genuineness, authenticity, value or the state of preservation and strike are intended as a guide for interested Bidders. When a grade from an independent grading service is mentioned, the information is provided strictly for the convenience. These are statements of opinion only and should not be relied on as statements of fact. Illustrations of the Lots are for general identification only.

2.2. Lots by their nature are usually aged and varied in condition. The absence of any description of a defect, damage, modification or restoration in any Catalog does not imply that there are none.

2.3. Coins are graded to accepted international standards to the best ability of our specialists. You acknowledge that the grading of coins is subjective and may vary from specialist to specialist, as the process is by nature an art and not a science. For this reason, we do not automatically accept and are not bound by the opinions of third party coin grading services for any purposes including before and after the sale of a Lot.

2.4. If you are interested in a Lot, we strongly recommend that you view it in person before the Auction and form your own opinion of the description of the Lot.

2.5. We reserve the right to change any aspect of the published description of a Lot prior to the Auction. Any change may be published on our website, displayed at the Auction, announced by the auctioneer prior to the sale and/or communicated in any other manner.

2.6. All copyright in Catalogs, including images, belongs to Auctioneer.

## 3. ABSENTEE COMMISSION BIDS

3.1. If you are unable to attend the Auction personally, you may submit a Commission Bid and we will endeavor to purchase the Lot on your behalf for the lowest price possible. You must submit this in writing using the Commission Bid Form and send it to us by post, fax or email at least 24 hours prior to the Auction.

3.2. For all Commission Bids, you must supply your name and address, contact telephone number and email. You must also provide the Lot number and description of the Lot, the amount of your Bid and any other information requested in the Commission Bid Form or by us. It is your responsibility to provide the correct information and to ensure that we have received your Commission Bid.

3.3. We do not charge for this service and therefore we will not incur any liability for executing (or failing to execute) the Commission Bid.

3.4. If you submit a Commission Bid verbally (by telephone or otherwise), we shall not be responsible for any misunderstandings (by either us or our agents or you) in relation to your Bid. All bids made in this way must be confirmed in writing before the Auction.

3.5. If we receive two Commission Bids for equal value for the same Lot, the Bid received first by us shall take precedence.

3.6. "Buy" commissions and unlimited Commission Bids will not be accepted.

## 4. AUCTION SALE

4.1. This sale is a public auction sale conducted by licensed and bonded auctioneers.

4.2. Before the Auction, all potential Bidders must notify their name and address to the Auctioneer and, if required, provide proof of identity to our satisfaction and bank or other credit references. Bidders unknown to Auctioneer are requested to establish credit or deposit 25% of their bids before the sale. We cannot accept bids from minors.

4.3. The highest Bidder for each Lot shall be the Buyer. If there is a dispute, the Auctioneer shall have absolute discretion to determine the dispute including re-offering the disputed Lot for sale. Auctioneer reserves the right to refuse any bid he feels is not made in good faith.

4.4. A Bidder must submit a bid for an entire Lot and each Lot constitutes a separate sale. The Auctioneer shall, however, have absolute discretion to divide any Lot, to combine any two or more Lots, or to withdraw any Lot from the Auction without giving any reason (including after the hammer has fallen). Bidding shall be regulated at the absolute discretion of the Auctioneer. The Auctioneer has the right to refuse any bid.

4.5. All sales are final. Subject to Condition 4.4, the contract for the sale of the Lot is concluded on the fall of the hammer.

4.6. You cannot cancel your purchase of a Lot once the hammer has fallen.

4.7. Auctioneer reserves the right to include in any Auction its own material as well as material from affiliated or related companies, principals, officers or employees. Auctioneer may have direct or indirect interests in any of the Lots in the Auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG.

4.8. Auctioneer may bid for its own account at any auction.

4.9. All Lots are offered for sale subject to a Reserve.

4.10. Estimates in the Catalog are not limits or reserves but reflect the actual market prices and are intended as a guide for bidders. The actual prices realized may be higher or lower than these valuations. The starting price will be about 80% of the estimates, unless there are higher offers.

## 5. PAYMENT

5.2. Buyer of a Lot shall pay the Purchase Price in full before the Lot can be delivered to the Buyer.

5.6. The methods of payment and surcharges are set out below.

5.7. If the Purchase Price has not been settled within 30 days of the Auction date interest will be charged at 2% per month from the due date of payment to the date that cleared funds are received whether that is before or after any legal judgment. This is without prejudice to any other rights that we have for non-payment.

5.8. If you fail to comply with your obligations under these Conditions, the Lot, in respect of such non-compliance, may at our discretion be put up for sale at Auction or privately and resold. In this case, you will be liable in full and will indemnify us for all losses, costs and expenses (including attorneys' fees and legal costs) incurred as a result, including the costs of the resale and the amount (if any) by which the Hammer Price obtained on the resale is less than the Hammer Price obtained on the original sale of the Lot to the Buyer.

## 6. RISK, TITLE AND DELIVERY

7.5. You shall not be entitled to a refund for a Forgery if:

(a) the grounds for claiming that the Lot is a Forgery is based primarily on a difference of opinion between us and a third party providing coin grading services;

(b) the grounds for claiming that the Lot is a Forgery is by reason of any damage and/or restoration and/or modification work of any nature;

(c) the description of the Lot in the Catalog was in accordance with generally accepted opinions of numismatic specialists as at the date of publication or the catalog indicated that there was a conflict of opinion.

(d) it has been proved that the Lot is a Forgery by applying a method that was unavailable or not generally applied within the industry of numismatics as at the date of publication of the catalog or was disproportionately expensive, in both cases as determined in our absolute discretion.

7.6. If we agree that the Lot is a Forgery then subject to:

(a) you being able to confirm in writing that you can transfer legal and beneficial title to

the Lot to us or as directed by us free from all encumbrances or third party claims of any nature, and

(b) the exclusions in Condition 7.7, then the sale of the Lot will be rescinded so that it is canceled and we will refund the Purchase Price to you in full.

7.7. Your right to return the Lot and receive a refund of the Hammer Price under the Guarantee is your sole remedy against us, our agents and sub-contractors and/or the Seller for a Forgery. You will not be entitled to claim interest on the amount due to you. Neither we, our agents or sub-contractors nor the Seller shall be liable for costs, expenses, damages or any other liability however it arises relating to a Forgery.

7.8. In accordance with the restriction in Condition 10.2, the benefit of the Guarantee is personal to the Buyer and is not transferable to a new owner of the Lot or any other person.

## 8. EXCLUSION OF LIABILITY AND WARRANTIES

8.1. Except where these conditions expressly state otherwise, no warranty as to merchantability or fitness for a particular purpose is given to a buyer concerning a lot and each lot is sold "as is" and as shown with all faults, imperfections, errors of description (including authorship, origin, age, size, condition or value) or lack of authenticity or genuineness and neither we nor the seller nor any of our agents or sub-contractors will be liable for any damages, costs, expenses or any other liability arising out of the same whether or not caused by negligence. Furthermore, the Auctioneer offers no representation that a numismatic item has or has not been cleaned; that any toning is natural or artificial; that any coin will meet the standards or grade of any independent grading service; that any item has a particular provenance or pedigree, or that a numismatic item is struck or produced in a particular style. Any statement concerning such matters reflects an opinion only. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity. The auction is not an approval sale.

8.2. Except as provided in 6.3, any claims for adjustment other than authenticity must be made in writing within seven (7) days after delivery of the goods. No Lots may be returned without our written permission. It is the Buyer's responsibility to have the Lots fully insured while in his possession. Our maximum liability under these Conditions is the amount of the Purchase Price paid by you.

8.3. Notwithstanding anything to the contrary in these Conditions of Sale, Coins listed in this catalogue graded by PCGS or NGC, may not be returned for any reason whatsoever. Whatever current guarantees and or warranties granted by PCGS and or NGC mirrors ours.

8.4. All oral and written statements made by the Auctioneer and its employees (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of the Auctioneer has authority to vary or alter these Conditions of Sale. Any alteration shall be effective only if in writing and signed by an officer of the Auctioneer authorized to do so.

8.5. Neither we nor any of our agents or sub-contractors shall be liable, whether in tort (including negligence or breach of statutory duty), contract, misrepresentation or otherwise:

(a) for loss of profits or business, depletion of goodwill and/or similar losses; loss of contracts; or

(b) any special, indirect, incidental, consequential, exemplary or pure economic loss, costs, damages, charges or expenses.

8.6. We shall not be liable to you or be deemed to be in breach of these Conditions by reason of any delay in performing, or any failure to perform, any of our obligations in the Conditions, if the delay or failure was due to any cause beyond our reasonable control.

8.7. Nothing in these Conditions excludes or limits our liability for any matter which it would be illegal for us to exclude or attempt to exclude under New York law or for our fraud or fraudulent misrepresentation.

8.8. THE NEW YORK SALE™ is solely owned by M&M Numismatics, Ltd., LLC and is used by license to "Dmitry Markov Coins & Medals". M&M Numismatics, Ltd, LLC assumes no responsibility for the actions of its licensee.

10.5. We may perform our obligations and exercise our respective rights through any of our group companies or assign our rights under these Conditions.

10.6. If any provision of these Conditions is held by any court or other competent authority to be invalid or unenforceable, in whole or in part, the validity of the other provisions and the remainder of the provision in question shall not be affected.
